

SLIMMING

Get a slimmer and shapelier figure !

Discover our equipment and our associated treatments dedicated to slimming and firming for rapid visible results.

WATERMASS

- 1 SESSION 20 MIN : 55 €
- 5 SESSIONS : 250 €

Slimming treatment, combines the effectiveness of pinch-and-roll with the decongesting and draining action of seawater and essential oils. The active lympho-aesthetic massage on localized fats and cellulite is combined with a feeling of lightness and pure relaxation.

THE THALGO BODYSCULPT

1 SESSION 55 €

Instrumental palpating-rolling method to visibly reshape the figure, smooth out dimples and firm the skin.

LE CRYOSCULPT THALGO

1 SESSION 100 €

New slimming technology with a triple action: localised cryotherapy, electrostimulation on targeted areas and thermotherapy. The slimming and firming effects are rapidly visible.

EXPRESS TREATMENT

DURATION 4 WEEKS - 2 TREATMENTS PER WEEK

CELLULITE-FIRMING-SLIMMING 500 €

They are targeted to your problem. They begin with a personalised diagnosis and a detox starter (marine scrub, 3 seaweeds body wrap) and continue with an innovative, effective technology : the thalgosculpt (cryotherapy, electrostimulation).

THE PACKAGES 360°

DURATION 6 WEEKS - 2 TREATMENTS PER WEEK

CELLULITE 849 €

FIRMING 899 €

SLIMMING 1 100 €

Personalized diagnosis, focused on your problem, the treatments begin with the detox starter (marine scrub, algae wrap) and combine several Technologies : thalgosculpt (cryotherapy, electrostimulation) alternated with bodysculpt (palpating and rolling).

The cellulite and firming programmes are completed by personalised products (creams and food supplements).

In the slimming programme, there are also 4 video consultations with a dietician for a global and effective slimming treatment.
