# EURONAT, my naturist holiday resort

**It's summer at last !** I'm taking you on holiday with me to the Médoc peninsula in Gironde, and more precisely to Euronat, a naturist holiday centre located on the Atlantic Ocean.

Set in a 335 hectare pine forest, it is the largest naturist village in Europe.  
A place that perfectly combines space and privacy and that has become my little corner of paradise for a few years now!

It is a destination that will satisfy both experienced naturists and those who wish to experience naturism for the first time in this privileged setting.

# The Naturist Charter

## EURONAT IS THE IDEAL PLACE FOR A FIRST NATURIST EXPERIENCE

Here, the space and nature will allow you to discover this way of living in complete security and serenity. Your psychological and social barriers disappear leaving room for wellbeing and simplicity.

## UNFORGETTABLE HOLIDAYS

Feeling the wind on your skin and the softness of the sea air, but also swimming naked in the ocean, are extraordinarily invigorating sensations.  
Complexities are gone, an incredible feeling of freedom envelops you.  
Nudity is natural, healthy and collective.

## DISCOVER NATURISM WITH YOUR FAMILY

Naturism for the first time can be a daunting experience, but if you take the plunge, you will never be disappointed.  
Euronat is the ideal naturist campsite to practice naturism with your family.  
The activities and mini-clubs are there to allow your children and teenagers to discover the world of naturism in the best possible way.

Naturism is also about being in harmony with your environment and respecting others and yourself.

It is also about taking time during your holidays to enjoy life to the full.

Naturism is a philosophy of life.

**You are in a naturist area,  
live naked !**

### Self respect

Respect nudity whenever the weather permits.

Nudity is obligatory at the swimming pool, at the beach and in the washrooms.

You are therefore committed to practising nudity and ensuring that those who are under your responsibility (family, guests, etc.) also practise nudity.

Swimming costumes, bikinis and strings are forbidden.

However, common sense prevails.  
A certain tolerance is allowed for some sporting activities, for women at certain times and for teenagers.

### Respect of others

No ambiguous attitudes, voyeurism or exhibitionism that could shock children or adults will be tolerated.  
Any group or individual that doesn't respect this rule must leave the naturist resort immediately.

Personal cleanliness is compulsory.

Intimate jewellery or piercings are forbidden.

Naturism is family orientated and friendly.

Courtesy and respect of the intimacy of others are essential.

It is forbidden to take photographs or videos by any means (this includes with mobile phones) without the permission of those in the view finder.

Outside the shopping centre and the activity and leisure areas, the chalet and camping villages are places of rest and relaxation. Noise disturbance is to be avoided.

### Respect of the environnement

Naturism creates the sensation of an incredible liberty, of being at one with the natural elements, the sun, the sea, the wind. Nudity brings one closer to the environment and more aware of its fragility. Euronat's exceptionally preserved nature must be protected.

**Everyone must:**  
Respect the dunes and the beach and not drop litter of any kind.

Not cut trees or bushes, nor pick wild flowers, in particular on the dunes where the ecosystem is very fragile.

Sort your rubbish and use the recycling containers available.

Be sparing with water when possible.

Use the sanitary bags for your animal's excrement (available at reception).

Vehicle traffic is limited to 20km/h with priority given to pedestrians and cyclists.

Respect our whole complex.

Use an ashtray for your cigarette ends if you smoke.

## The shopping centre – the “heart of Euronat”

After discovering my accommodation (but I'll tell you about my cosy nest later), we head for the «heart of Euronat», the shopping centre, which has no less than 25 shops. I usually go there to get my bread and pastries for the whole family from the bakery. I then go to the newsagents to buy my newspaper and do some shopping for my picnic lunch on the beach.

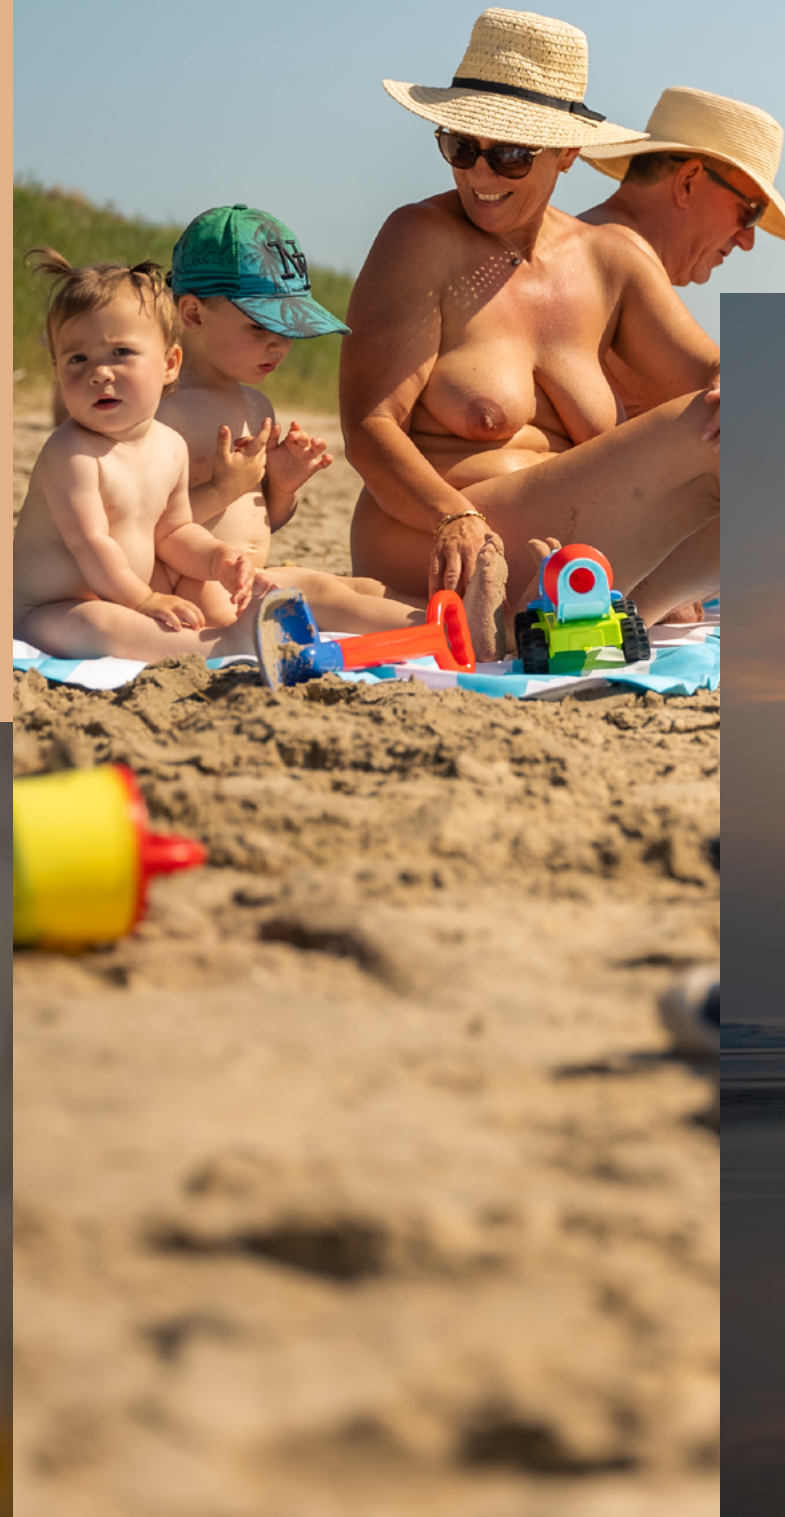

Euronat's shopping centre is also the ideal place for a drink or a refreshing smoothie at the end of the day, for a meal at one of the restaurants in the evening, or to listen to music on the agora stage. A wide range of concerts is scheduled throughout the summer.

Many services are available in the shopping centre, including four restaurants, a tapas bar, a hairdresser, a bicycle rental company, a wine cellar, an organic food shop, a delicatessen, souvenir shops, clothes shops etc.

## A picnic at the beach

The picnic is ready so let's head for the beach. Euronat offers three naturist beaches, 1.5 km of white sandy beaches (two beaches have lifeguards from mid-June to mid-September). We usually go to the north beach with the children, who love dogs. Because in Euronat, you can bring your dog to the north beach ! In our birthday suits, we relax in the cool, invigorating waves after a nap in the shade of a parasol. And at sunset, why not suggest a game of beach volleyball to your friends ?

# Relaxing at the pool

After their siesta, the children love to go to the swimming pool to enjoy the water slides and the heated outdoor pools

Also, last year a new outdoor pool was created, «the lagoon»: with a paddling pool for the children and a spa area with massage jets and benches, as well as an artificial river with underwater current.

Knowing that the children are safe and having fun, while I'm lounging on a sun lounger with a good book, that's what I call a Euronat holiday!

At the end of my chapter, I'm going to do a few lengths in one of the two indoor pools, which are available for swimmers and children.

At the end of the day, we head for the activities: from sports and wellness activities to crafts and culture, there is something for everyone in Euronat. Today it's yoga for me, at the Théâtre de Verduze, the perfect place for a moment of relaxation, nestled in the heart of the pine forest where only the gentle song of the birds can distract you.

You can also try horse-riding and experience a ride on the beach at sunset, or try out surfing or playing the djembe for music lovers. For the sporty types, Saul and Renzo are waiting for you on the tennis courts to hit a few balls or to try the Padel court, and the gym is open every day for training.

## Children and teenagers

Meanwhile, the children spend the rest of the afternoon at the mini-clubs with their friends: the leaders of the 4 mini-clubs are waiting for them at the yurts (for children from 3 to 17 years old).

Initiation to permaculture, evening activities, something to entertain your children all day long but also to develop their sense of respect of nature. Good fun and sharing guaranteed! They can also enjoy the skate park and the playground.

## The activities

### The thalasso

At the end of the day I make an appointment at the thalasso. I'm going to try out the new «Journey around the world» sensory treatment, a moment of relaxation guaranteed.

The Thalasso offers a multitude of treatments of outstanding expertise, consult the end of the brochure to discover them.

«What I prefer doing at Euronat is going to the mini-club with my friends. I also like going to the beach and the swimming pool.»

**Léa, 10 years old.**

«At the campsite I like the pool, the beach, the mini-club, the nature and the activities.»

**Noah, 12 years old.**

# Camping Caravanning

As promised, I will tell you a bit more about our accommodation. This year, we hesitated between camping and renting, last year we loved pitching our tent in the middle of nature, on a spacious pitch that favours privacy and tranquility...

Camping lovers can enjoy sunny or shady pitches in the pine forest. You will be staying in the heart of Euronat, as the camping-caravanning site is close to the village centre and the swimming pools.

Within the campsite you will also find ten toilet blocks equipped with baby facilities, facilities for the disabled, and barbecue areas for safe grilling.
