EURONAT IS THE IDEAL PLACE FOR A FIRST NATURIST EXPERIENCE

Here, the space and nature will allow you to discover this way of living in complete security and serenity. Your psychological and social barriers disappear leaving room for wellbeing and simplicity.

UNFORGETTABLE HOLIDAYS

Feeling the wind on your skin and the softness of the sea air, but also swimming naked in the ocean, are extraordinarily invigorating sensations.

Complexities are gone, an incredible feeling of freedom envelops you.

Nudity is natural, healthy and collective.

DISCOVER NATURISM WITH YOUR FAMILY

Naturism for the first time can be a daunting experience, but if you take the plunge, you will never be disappointed.

Euronat is the ideal naturist campsite to practice naturism with your family.

The activities and mini-clubs are there to allow your children and teenagers to discover the world of naturism in the best possible way.

Naturism is also about being in harmony with your environment and respecting others and yourself.

It is also about taking time during your holidays to enjoy life to the fullest.

Naturism is a life philosophy.

**You are in a naturist area, where
we have the freedom to live naked!
Live naked!**

SELF RESPECT

Respect nudity whenever the weather permits. Nudity is obligatory at the swimming pool, at the beach and in the washrooms.

You are therefore committed to practising nudity and ensuring that those who are under your responsibility (family, guests, etc.) also practise nudity.

Swimsuits, bikinis and G-strings are forbidden.

However, common sense prevails.

A certain tolerance is allowed for some sporting activities, for women at certain times and for teenagers.

RESPECT OF OTHERS

No ambiguous attitudes, voyeurism or exhibitionism that could shock children or adults will be tolerated.

Any group or individual that doesn't respect this rule must leave the naturist resort immediately.

Personal hygiene is compulsory.

Intimate jewelry or piercings are forbidden.

Naturism is family orientated and friendly.

Courtesy and respect of the intimacy of others are essential.

It is forbidden to take photographs or videos by any means (this includes with mobile phones) without the permission of those in the view finder.

Outside the shopping centre and the activity and leisure areas, the chalet and camping villages are places of rest and relaxation. Noise disturbance is to be avoided.

RESPECT OF THE ENVIRONNEMENT

Naturism creates the sensation of an incredible liberty, of being at one with the natural elements, the sun, the sea, the wind.

Nudity brings one closer to the environment and more aware of its fragility. Euronat's exceptionally preserved nature must be protected.

Everyone must:

Respect the dunes and the beach and not drop litter of any kind.

Not cut trees or bushes, nor pick wild flowers, in particular on the dunes where the ecosystem is very fragile.

Sort your rubbish and use the recycling containers available. Be sparing with water when possible.

Use the sanitary bags for your animal's excrement (available at reception).

Vehicle traffic is limited to 20km/h with priority given to pedestrians and cyclists.

Respect our whole complex.

Use an ashtray for your cigarette ends if you smoke.

FROM THE PINE FOREST TO THE BEACH A PLACE TO RELAX AND RECHARGE YOUR BATTERIES

Euronat, Set in a 335 hectare pine forest, it is the largest naturist village in Europe.

A place that perfectly combines space and privacy and that has become my little corner of paradise for a few years now!

It is a destination that will satisfy both experienced naturists and those who wish to experience naturism for the first time in this privileged setting.

Summer at last

I'm taking you on holiday with me to the Médoc peninsula in Gironde, and more precisely to Euronat, a naturist holiday centre located on the Atlantic Ocean.

The shopping centre

Euronat's shopping centre is also the ideal place for a drink or a refreshing smoothie at the end of the day, for a meal at one of the restaurants in the evening, or to listen to music on the agora stage. A wide range of concerts is scheduled throughout the summer. Many services are available in the shopping centre, including four restaurants, a tapas bar, a hairdresser, a bicycle rental company, a wine cellar, an organic food shop, a delicatessen, souvenir shops, clothes shops etc.

After discovering my accommodation we head for the «heart of Euronat», the shopping centre, which has no less than 25 shops.

I usually go there to get my bread and pastries for the whole family from the bakery. I then go to the newsagents to buy my newspaper and do some shopping for my picnic lunch on the beach.

The beach ...

The picnic is ready, so let's head for the beach.

Euronat offers 3 naturist beaches, 1.5 km of white sand (2 of which are supervised from mid-June to mid-September).

We usually go to the North beach with the kids, who love the doggies, because you can bring your dog along!

Dressed like Adam and Eve, we soak up the fresh, invigorating waves after a nap in the shade of the parasol, while the little ones play beach tennis.

And why not play a game of beach volleyball with your friends as the sun goes down?

After their siesta, the children love to go to the swimming pool to enjoy the water slides and the heated outdoor pools.

The lagoon is ideal for relaxing, with massage jets and jacuzzis on the benches, and if you want to tone up your legs, there's nothing like the counter-current river. Knowing that the children are safe and having fun, while I'm lounging on a sun lounger with a good book, that's what I call a Euronat holiday!

At the end of my chapter, I'm going to do a few lengths in one of the two indoor pools, which are available for swimmers and children.

The swimming pools ...

The activities

A wide range of activities are on offer, to suit all tastes : from sports to culture and well-being, the choice is yours.

Crafts & culture

Our entertainment team offers a wide range of activities.
Give your creativity free rein with our T-shirt painting, pottery, drawing and sculpture workshops...
A chess activity to learn or practice with family or friends...
Several books exchanging areas are available for reading in all languages!
There's also djembé, ukulele and music initiation.

The thalasso

The Thalasso offers a wide range of treatments with unrivalled expertise. Take a look at the brochure to discover our body wraps, massages, beauty treatments...
And for the more experienced, our new products await you.

Outdoors

Euronat has a tennis court, padel court, basketball court, volleyball court and skate park. You can also play badminton in the multi-purpose hall.

In the middle of the forest, you can do yoga, archery or even jogging alone or in a group at Euronat.

At the beach, play beach volleyball or try your hand at surfing with Thomas at the Hawalp hut (central beach).

On the shopping centre front, there's a large petanque area and a miniature golf course.

A great opportunity to do family activities !

The horse-riding centre offers horse-riding on the beach and pony-riding for younger children.

The clubs

Meanwhile, the kids can spend the rest of the afternoon in the mini-clubs with their friends!
Head to the yurts, where the activity leaders from the 4 mini-clubs (open to youngsters aged 3 to 17) will be there to entertain them.

With an introduction to permaculture and night-time activities, there's plenty to keep your little ones entertained all day and develop their sense of respect for nature. Sharing and fun guaranteed!
They can also enjoy the skate park and playground.

YOUR HOLIDAYS MADE INTO A COMIC :

- Come to the mini club
- Create your character
- Tell us a story about your holiday at Euronat.

We will choose several to publish them on facebook !

Camping Caravanning

Camping lovers can enjoy spacious sunny or shady pitches in the pine forest, ideal for privacy and tranquility.

You will be staying in the heart of Euronat, as the camping-caravanning site is close to the village centre and the swimming pools.

Within the campsite you will also find ten toilet blocks equipped with baby facilities, facilities for the disabled, and barbecue areas for safe grilling.
